Celebrate is an open exhibition of paintings, prints, drawings, sculpture, and relief works. NORTH Contemporary Art Space celebrates 2015 with a large collection of artist's work hung salon style. To celebrate the end of the year and to encourage the sharing of work, all artworks are for sale and all works are priced under \$500. Artworks range from abstract sculatural pieces to realistic oil paintings, street art panels to textural etchings. Come and join us for the opening party or visit the gallery throughout December. A great way to give a meaningful gift and support the work of artists at the same time.

Celebrate features artists from all over Sydney and beyond.
